RE: Shelter for Women

Board Members,

Please accept this letter of support for your valuable project to provide safe and cordial emergency shelter assistance for the homeless and challenged women of our community. We look forward to collaborating with St. Joseph Missions as you grow to become a valued partner assisting women in need. Please be assured that many of Brightpoints programs will be accessible to your families and be a valuable resource as they move through their journey back to stability and eventual self-sufficiency.

Please feel free to contact me with any questions you may have regarding Brightpoint and the services we provide.

Sincerely,

Steve Hoffman
CEO Brightpoint
